For the Family Nurse Practitioner student, this title uses a unique presentation to condense a vast amount of information into an effective review. Case studies followed by questions and in-depth discussions and references develop the students understanding of disorders and show him or her how to apply what has been learned to practice. Contains about 1,400 questions, and 100 case studies. This AJN Book of the Year features even more questions, more content, and all-new full-color photographs online than the previous edition.
